Summer Camp 2019

Erie Zoo

Dear Parents/Guardians:

Thank you for registering your child in the Summer Week-long Zoo Day Camps at the Erie Zoo. We want to make your child's week at Zoo Camp as fun and educational as possible. To help the week run smoothly, we have instituted some policies and need some support from you, the parents. Please read the information in this letter carefully and feel free to call the education department, 864-4091 with any questions or comments.

Drop-off and Pick-up and Aftercare Program: Drop-off and pick-up will take place at the **West 38th Street entrance at the tiger striped education door.** This is the door next to the foot of the stairs to the office. Drop off will occur between 7:45-8:30 am. Any late arrivals and early dismissals must be pre-arranged with zoo staff because they disrupt the flow of the camp. Pick up will occur between 3:45 and 4:15 pm. Aftercare pickup will take place from 4:15-5:30 pm. There is an additional charge of \$30 per week for the first child and \$15 per week for additional children for aftercare.

Children must be brought to the check-in table by a responsible adult who will sign the child in and pick up the child's code word. This code word must be told to the staff person manning the door when the child is picked up. The person who will be picking the child must let the staff know the code word and sign the child out. Additionally, our staff reserves the right to request photo identification for anyone picking up a child. Please do not enter the classroom before the end of the session unless you have made prior arrangements for early pick-up.

Late Arrival /Early Pickup: If you are going to arrive after 8:30am or are going to pick up prior to 3:45pm you will need to notify the check in staff (to fill out a pick up/drop off request form) or call the zoo office as soon as possible. We will have to adjust camper times in areas/activities to make sure we are ready for a late arrival or early departure. Without prior notice this disrupts the whole camp and can cause campers to miss valuable parts. Early pickups are difficult because the campers are not located near the front of the zoo. It can take up to 20 minutes to get a child to the front of the zoo for an unannounced pick up.

Snacks: Water is available throughout the session and we will provide a morning snack. Aftercare attendees will also receive a snack during aftercare. A water bottle will be provided. Any food restrictions or allergies should be indicated on the child's Emergency Form. If you have a child with food restrictions of major importance (life threatening allergies, diabetes, religious restrictions or behavior-affecting food sensitivities, etc.), we appreciate advanced notice so that we can have alternative snacks available from day one. You are also allowed to bring in allergy friendly snacks for your child if you choose to opt out of ours. Snacks may include dry cereal, fruit snacks, popcorn, crackers, animal crackers and freezer pops.

Lunch: Full Day campers will either need to bring a lunch or buy a lunch from the zoo. We do not have access to a refrigerator or microwave so please pack accordingly. Zoo lunches can be purchased for the whole week on Monday or paid for on individual days. All payments must be made the week of camp. We cannot take lunch orders or payment prior to camp starting. All lunch orders need to be completed at check in.

Dress: Zoo Day Camps are fun and fun can be messy. Please send your child in older clothes so we can have a great time without worry. **Please do not allow your child to wear open-toed shoes, flip-flops or clogs.** This type of footwear is not safe for the activities we have planned. Dress for the weather and outdoor fun each day. Dresses are not advised. Use sunscreen before coming to the zoo. If you would like sunscreen applied throughout the day please fill out the Authorization to Dispense Medication form and place sunscreen in a gallon baggie with first and last name on it.

Camp Staffing: Each camp group will be led by a minimum of two adult paid staff. Our staff is supplemented by Adult and teen volunteers from our Docent and EdZooCrew programs, who attend training in preparation to volunteer. The volunteers act as extra hands, eyes, and ears and for the staff and as a helper for the kids. If you have a question or concern, we ask that you direct it to the adult staff person working with your child. All staff and volunteers go through multiple forms of background checks.

Example Schedule: Your child will participate in sit-down games as well as active games on the front lawn, activities, craft-making, walks on zoo grounds and in Glenwood Park, and will see an animal show each day. Please look at the attached sample schedule for a more detailed look at the activities and times.

Special Concerns: If your child needs special attention due to a behavioral, emotional, physical or educational need, we will do our best to accommodate your child. Your advice and suggestions are most welcome and we suggest a call to the education department prior to the camp week. We welcome Therapeutic Support Staff or Aides if your child has one. Please fill out our Special Needs and Accommodations Questionnaire to help us better understand your child's needs.

Please call us with any questions or concerns.

Thank you and we hope your child enjoys their week at Zoo Day Camp!

See You at the Zoo!

Erie Zoo Summer Camp Positive Behavior Plan

The Erie Zoo ("Zoo") strives to provide each camper with a positive experience during our Summer Camps. To ensure an educational, fun, safe and inclusive environment for all children, we expect campers to abide by our Positive Behavior Plan. Parents should discuss the following behavior expectations and consequences with their child prior to the child's attending camp:

- Treat others with dignity and respect. Bullying, teasing and/or other disrespectful behavior toward any educators, volunteers, Zoo visitors, fellow campers or others will not be tolerated.
- Be respectful of Zoo property and the property of others.
- Make responsible choices - follow directions, stay with the group at all times, and use materials properly.
- Obey safety rules. Do not enter staff-only areas. Do not run anywhere on Zoo grounds except the front lawn. Do not climb any fences or railings.

The following inappropriate behavior is strictly prohibited and will not be tolerated:

- Hitting, pushing, fighting or provoking a fight with other campers, staff, volunteers, Zoo visitors or others.
- Misusing, defacing or deliberately damaging Zoo property or the property of others.
- Mistreating animals.
- Stealing.
- Disobeying the instructions of Zoo staff or volunteers.
- Disobeying safety rules.
- Swearing.

We understand that children are learning in all aspects of their lives and that learning appropriate behaviors is a process. If inappropriate behavior becomes an issue, whenever possible, the Zoo will attempt to work with the child to make sure that he or she understands what is expected of them. Nevertheless, we are committed to maintaining a safe camp environment. In the event a camper engages in any of the prohibited behavior described above, he or she will be subject to discipline, generally in accordance with the following steps. The Zoo reserves the right to discipline more severely if the circumstances are deemed to warrant it, including skipping disciplinary steps and/or expelling the camper from the summer camp program without recourse.

Step 1 - Verbal Warning

Camp staff will give the camper a verbal reminder of expected behavior and review rules.

Step 2 - Written Warning

The Education Director will discuss with the camper his/her inappropriate behavior and develop a plan to encourage positive behavior. Positive behavior plans may include a time out in the Education Director's office, use of a positive behavior rewards chart, assignment of a Behavior Buddy, and/or minor adjustments to classroom settings/procedures. Parents will be told when they pick up their child about any incidents and will be encouraged to remind the camper of positive behavior expectations.

Step 3 - Expulsion

Camper who consistently fail to abide by the Positive Behavior Plan or who engage in serious misconduct will be removed from camp for the remainder of the program and, depending on the severity of the circumstances, any additional camps in which the camper is enrolled during the 2018 season. No refunds will be issued if a child is removed from camp for behavior issues.

Parent Signature

I have read and understand the Erie Zoo Summer Camp Positive Behavior Plan and have discussed it with my child. I understand that failure to abide by the Positive Behavior Plan may result in my child's removal from Erie Zoo Summer Camp without refund.
