# EdZoocation Programs

\*\*\*\*All of our Education programs are subject to change due to pandemic restrictions. To protect participants, we are lowering class sizes, taking extra safety precautions and following CDC guidelines. Use of animals in programs may be restricted due to Veterinary guidelines. Please be aware that we will do everything we can to make this experience as animal inclusive as possible. Not all program services will be available at all times. Please note that due to attendance, your child may be moved into another age appropriate classroom. Requests for children to be placed together will be honored. Please check our website for updated information. If you have further questions, please contact us at [education@eriezoo.org](mailto:education@eriezoo.org)

\*\*\*\*Currently, we are unable to run Junior Zookeeper. If something changes, we will post updates on our website.

Please check the Erie Zoo website ([www.eriezoo.org](http://www.eriezoo.org)) for new program information. Pre-registration for programs is required. Please visit the website or call the zoo office (814) 864-4091, weekdays from 9 a.m. – 4:00 p.m. to register.

Week-long Zoo Day Camps - Ages 4 – 13

Campers participate in a week-long session full of fun and adventure. A snack and beverage are provided daily. Please inform us ASAP of any dietary or other special needs.

If your session is full day, you may pack or buy your lunch. Buying lunch is an option that we hope to provide. Please pack the first day and more information will follow. Students with special needs are welcome to attend all programs.

Enter through the Education Entrance (tiger-striped) door at the foot of the office stairs.

All check-ins must take place between 7:45 and 8:30am.

Any late arrivals and early dismissals must be pre arranged with zoo staff because they disrupt the flow of the camp.

Pick up will occur between 3:30-4:00 pm.
