## Week-long Zoo Day Camps - Ages 4 - 13

Campers participate in a week-long session full of fun and adventure. A snack is provided daily. Please inform us ASAP of any dietary or other special needs. If your session is full day, you may pack or buy your lunch. Hot lunches are available for purchase. The menu will come in your confirmation packet.

While we do not have extra staff available to accommodate severe behavioral and emotional special needs, campers with those needs are welcome to attend with an aide or caregiver. Enter through the Education Entrance (tiger-striped) door at the foot of the office stairs.

All check-ins must take place between 7:45 and 8:30 am. Any late arrivals and early dismissals must be pre-arranged with zoo staff because they disrupt the flow of the camp. Pick up will occur between 3:30-4:00 pm.

Time will also be spent making animal enrichments, visiting “behind the scene” areas and participating in conservation activities. Learn about zoo animals and how they are cared for while participating in a hands-on fun-filled day. This is a great way to earn service hours for a project. At the end of the week, your child will become an official Erie Zoo volunteer and will conclude with them earning their volunteer shirt and badge. (Volunteering is not required after this program).
