Educational Opportunities- Scheduling Information

- **Educational opportunities have some limitations**
 - Behind the Scenes Tours and Animal Encounters have a limited amount available both daily and weekly. If you are interested in one of these opportunities, please register well in advance.
 - The Erie Zoo has 3 classrooms and a few outdoor education areas that we use and concurrent classes can be scheduled based on staffing availability.
- **The program request form is not your official approval.**
 - Once received, the Education Department will review the request, reach out with any questions and then send an official confirmation.
- **Educational programs change every year even though the topics remain the same.**
 - Programs are adapted for each individual group's knowledge, skills and abilities.
 - Please let us know if your group would like us to cover something more in-depth during your program
 - Programs can be made to fit your groups requests.

Please return the completed Educational Programming Request form to the Education Department contact information below:
