BIRD EGG-CURSION

Take a ride on the Eerie Express and join us in finding the elusive EERIE ZOOBOO BIRDS. People are totally flocking to this birding hot spot, so please try not to ruffle feathers and don't quack up. We will dive into the delightful world of bird watching as we take a gander at the assortment of avians, they're a real hoot. So perch yourself and get your ducks in a row for this egg-citing journey.

Thank you to the following nonprofits for participating:
Shriners Children's Erie, Erie Bird Observatory, Charter School of Excellence, Young Erie Professionals, Erie Animal Network, Big Brothers Big Sisters of Family Services of NW PA, French Creek Council Scouting America, and the Nonprofit Partnership.
