## Week-long Zoo Day Camps - Ages 4 - 15

Campers participate in a week-long session full of fun and adventure that includes zoo walks, meeting animals up close, rides on the carousel and train, crafts, games and more!

A snack is provided daily. **Please bring a water bottle.** Please inform us ASAP of any dietary or other special needs. If your session is full day, you may pack or buy your lunch. Hot lunches are available for purchase. The menu will come in your confirmation packet attached to your email.

While we do not have extra staff available to accommodate severe behavioral and emotional special needs, campers with those needs are welcome to attend with an aide or caregiver

### **Warning:**

Summer campers may get messy as they learn, play and explore the zoo. A change of clothes is encouraged (especially for 4-6 year olds)

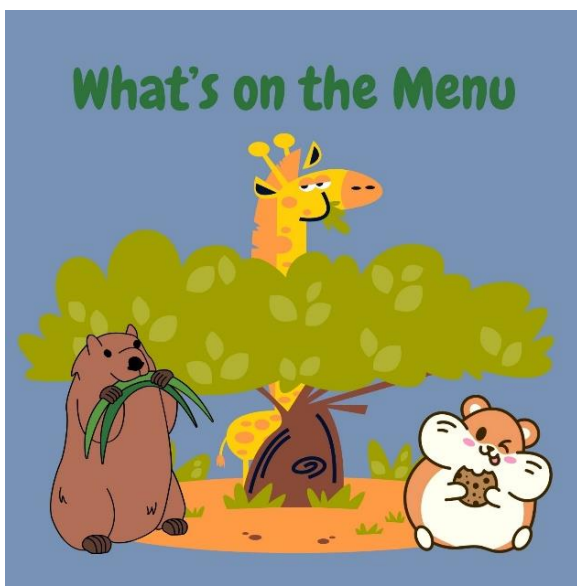

All check-ins must take place between 7:45 and 8:30 am. Any late arrivals and early dismissals must be pre-arranged with zoo staff because they disrupt the flow of the camp. Pick up will occur between 11:30-12 or 3:30-4:00 pm. **Junior Zookeepers: Please arrive between 7:45 and 8 am.** Enter through the Education Entrance (tiger-striped) door at the foot of the office stairs.

## What's on the Menu

What would a tortoise would eat on their salad ? Would a hedgehog order crickets with a side of vegetables? Campers will learn the menus of the animal kingdom in the wild and in the zoo. You might be surprised by the interesting and yummy food animals eat, even some food that can be found in your lunch box!
