

ZOOBOO 2019

ZooBoo is a spooky, but not too spooky, fun-filled event here at the “Eerie” Zoo featuring a variety of Halloween displays, costumed characters, train and carousel rides, crafts, temporary tattoos, games, and trick-or-treating for children 12 and under.

ZooBoo 2019 will run from Thursday, October 17th through Wednesday, October 30th. The gates are open to the public from 6 p.m. to 9 p.m. each night. Volunteers work from **5:15 p.m. - 9:30 p.m. and sometimes until 10:00 p.m.** on busy weekends. (This year we will also have volunteers working Saturday afternoons 1pm- 5:45pm as well.)

ZooBoo Job Descriptions

Volunteers must be at least 14 years old

Costumed and/or speaking roles:

TROLL – The troll will “guard” the Children's Zoo Bridge as he or she asks questions of the visitors who wish to cross it. The Zoo staff will provide the questions. One question might be, “How long can a tortoise live?” The answer is 150 years. You must talk in a scratchy voice, and you will spend the majority of your time hunched over, so a good back is a must. You want to be more funny than scary, so you won't frighten children away. Troll costumes will be provided.

SCARECROW FOR THE TALKING PUMPKIN – The Talking Pumpkin's Scarecrow attendant will watch over the pumpkin display. You also interact briefly with the visitors while maintaining a friendly attitude.

THE TALKING PUMPKIN VOICE- (Current Docent volunteer only) Hidden out of sight you are the voice of the talking pumpkin.

SKULL EDUCATION STATION GUIDE- Volunteers will share information with visitors about the skulls. All information is provided.

DANCING COSTUMED CHARACTERS (need 2 or 3). You will be dressed as a character of some kind and will spend the entire time dancing in front of the DJ booth. Must be willing to dance!

TRAIN CROSSING GUIDE (Must be 17 years of age or older) – You will be stationed near the train crossing directing visitors when to safely cross the train tracks.

Keep this page for your records.

Applications must be turned in by September 18th to the Erie Zoo Office. Training dates start September 19th. (Late Applications accepted until September 27th. You still must attend training prior to volunteering; last training date is October 2nd.)

Non-Costumed Roles:

BOOTH GUIDES –You will be stationed outside a booth directing visitors to one of the booth’s open windows, making sure to keep the lines moving, while holding a sign that says make two lines. If super busy, in some cases you might be handing out treats in front of “your booth” as well. You must be able to speak to direct guests where to go.

BOOTH WORKER – You will be working at either handing out trick-or-treat bags to children age 12 and under, or working in one of our decorated booths handing out treats to children age 12 and under that are provided by various sponsors. Since you will be representing the Zoo and the sponsoring company, you must be friendly, courteous and professional. A pleasant smile is a must.

BREAKPERSON – Your responsibility will be to fill in for other people while they go on breaks. This does not mean that you will not get a break; you are entitled to have one also. You will be assigned to several different volunteer areas. You will relieve one person at a time for their break. You will perform their job while they are on break. This is not a difficult job, but it requires a lot of responsibility. You will also have to fill in anywhere you are needed, if we don’t have enough volunteers.

GAME LEADER- You will be responsible for facilitating the Zoo Boo game and distributing prizes to those who choose to stop and play.

PARTY ROOM ASSISTANT - You will be responsible for assisting our birthday party staff, to assist with parties in the birthday party room in the Adventure Center. Duties will include everything from set up to clean up and helping with food and games.

ADVANCED TICKET ASSISTANT- (Must be 17 years of age or older) – To avoid the lines, visitors may purchase Zoo Boo tickets prior to the event. The Advanced ticket assistant is responsible for directing these visitors to special advanced purchase ticket windows. An outgoing personality and willingness to interact with the public is a must. You may be asked to assist with other jobs if it is a slow night or once your gate closes.

CRAFT TABLE ATTENDANTS – You will be stationed assisting children 12 and under in making crafts provided by Zoo staff. All supplies and directions will be provided. You are responsible for cleaning up thoroughly when your shift is over.

TEMPORARY TATTOOS - Your job is to apply a temporary tattoo on the hand of those children who stop at your station. You are responsible for cleaning up thoroughly when your shift is over. Including washing up and returning all materials to the proper places.

RIDE ASSISTANT (Must be 16 years of age or older) – You will be responsible for assisting the ride operator with taking tickets and loading and unloading ride passengers. You should expect that your volunteer hours will be from 5:15 to 9:30 p.m. each night unless weather is poor.

CONCESSION FOOD SERVICE (Must be 15 years of age of older) – Three to six volunteers are needed to help out at the Zoo’s concession stands each night of the event. Your responsibilities may include making popcorn, helping to fill orders. Those who volunteer for these positions must be able to work from 5:15 to 9:30 p.m. each night to help set up and clean up. Food gloves and a hat or hairnet must be worn at all times. (Bring your own baseball cap).

CAROUSEL VOLUNTEER (Must be 15 years of age of older)– One person is needed each night of ZooBoo to help load and unload the carousel. Your responsibilities may include collecting tickets and making sure that the correct numbers of people ride on the carousel each time. Expect your work hours to be from 5:15 to 9:30 p.m. each night.
