Programs at your Facility

Traveling Zoo

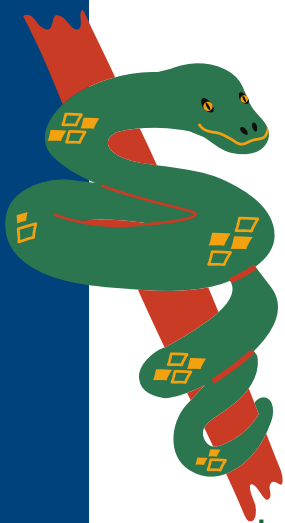

Let the Erie Zoo come to you.

- The Traveling Zoo allows students to get up close to some incredible animals and provides hands-on learning that brings lessons to life.
- We have multiple programs to choose from for students of all ages. Each of our programs aligns with state standards and engages children with the world around them.
- We believe that reconnecting with nature and wildlife is more important than ever before.
- We invite you to schedule a visit from the Traveling Zoo and give your students a memorable, interactive experience that will enhance their learning in a unique and fun way. The traveling zoo is in operation year-round.

Please email kbowes@eriezoo.org for details on pricing and program topics or call (814) 864-4091 x 1127

We will email the program request form to you.

Educational Opportunities- Scheduling Information

- **Educational opportunities have some limitations**
 - Animal Connections: Behind the Scenes Tours and Animal Encounters have a limited amount available both daily and weekly. If you are interested in one of these opportunities, please register well in advance.
 - The Erie Zoo has 3 classrooms and a few outdoor education areas that we use and concurrent classes can be scheduled based on staffing availability.
- **The program request form is not your official approval.**
 - Once received, the Education Department will review the request, reach out with any questions and then send an official confirmation.
- **Educational programs change every year even though the topics remain the same.**
 - Programs are adapted for each individual group's knowledge, skills and abilities.
 - Please let us know if your group would like us to cover something more in-depth during your program
 - Programs can be made to fit your groups requests.
