# G'DAY MATES!

The **MANE Event** of the summer swinging back to the Erie Zoo on **Saturday, June 24th from 7pm-11pm**. We will continue to feature all of our crowd favorite "grazing stations," "watering holes," animal encounters, live entertainment, and more!

We are making our way south of the equator to a *land down under!* This year we will be **Celebrating Australia**, and the incredible animals at the Erie Zoo that hail from this continental island, such as our kangaroos, wallabies, rainbow lorikeets, and more!

Last year's Mane Event proved that we are back and better than ever post-COVID-19. We are confident that this year, like many in the past, we will sell out our 1,300 tickets! It will be a wonderful opportunity for letting loose, making connections, and enjoying new experiences - **all while giving back to your Erie Zoo.**

Your continued support of the Erie Zoo is highly valued by our staff, board, and volunteers, and we are requesting your support for this year's *The Mane Event--Down Under*. In the following packet you will find more information about the grazing stations and the benefits that come along with participating, as well as, a participation agreement. As you know from years past, this is a popular event in the Erie Community, therefore Grazing Station spots may fill quickly.

If you would like to support the Erie Zoo's *The Mane Event--Down Under*, please fill out and return the participation agreement attached by **Friday, April 14th, 2023 by 5pm.**

We look forward to hearing from you soon! It is only through generous donations and support like yours that your Erie Zoo can continue to enrich the lives of the Erie community!

# CHEERS!
