# G'DAY MATES!

**The MANE Event** of the summer is coming back to your Erie Zoo on **Saturday, June 24th from 7pm-11pm** and will continue to bring you all of your favorite “grazing stations,” “watering holes”, animal encounters, live entertainment, & more!

Aligning with our zoo's mission to showcase areas of the world that are represented by the animals here at the Erie Zoo, we are celebrating Australia with **The Mane Event: Down Under!** We have many amazing species that are native to Australia including Eastern grey kangaroos, Bennett's wallabies, rainbow lorikeets and more! Maybe you'll even spot some during your visit!

Last year we were blown away by the support in attendance at our first celebration succeeding Covid-19 restrictions. We expect this year will bring even more unforgettable memories! This event is truly an incredible opportunity for letting loose, making connections, and enjoying new experiences - **all while giving back to your zoo.**

We are asking once again for your continued support of this key fundraiser for your zoo. In the following packet, you will find the updated sponsor levels and participation agreement. Some sponsor fees and benefits may have changed. As you know, the event sells out quickly, and we anticipate all sponsor levels to sell out within a week or two. Due to this demand, full payment for your sponsorship will be **due before or on Friday April 7th, 2023 by 5pm, or your tickets will be released for resale.** Tickets go on sale to the public online beginning May 26th at 9am at [www.eriezoo.org](http://www.eriezoo.org).

We look forward to hearing from you soon! It is only through generous sponsors like you that your Erie Zoo can continue to enrich the lives of the Erie community and continue to practice the highest level of care for our animals.

**TA!**
